MEMBERS FIRST CREDIT UNION OF FLORIDA GIVES BACK TO LOCAL TEACHERS WITH UP TO \$100 CLASSROOM SUPPLY REIMBURSEMENT

Pensacola, FL – As local educators prepare their classrooms for a new school year, **Members First Credit Union of Florida is stepping up to help!** Beginning **August 1**, the credit union is launching its **Classroom Supply Reimbursement Giveaway**, giving eligible teacher members the opportunity to receive **up to \$100** in reimbursement for classroom supplies purchased for the upcoming school year.

Every year, teachers invest hundreds of dollars of their own money to ensure their students have the tools they need to succeed. Members First believes those educators deserve to be celebrated and supported.

"Teachers go above and beyond for their students every single day, often purchasing classroom supplies with their own hard-earned money," said Michele Williams, President and CEO of Members First Credit Union of Florida. "Through our Classroom Supply Reimbursement Giveaway, we're proud to give back to the educators who give so much to our community and help ease some of the financial burden they carry at the start of every school year."

Beginning August 1 and for a limited time, eligible teachers can submit an official **Classroom Supply Reimbursement Request Form** at <https://www.membersfirstfl.org/empower-teachers-giveaway> for a chance to be reimbursed **up to \$100** for qualifying classroom supply purchases.

To qualify, applicants must:

- Be a current Members First Credit Union member.
- Be employed full-time as a **Pre-K – 12th grade teacher in Escambia or Santa Rosa County.**
- Submit a completed reimbursement request form along with qualifying receipts during the giveaway period.

Approved reimbursements will be deposited directly into the teacher's Members First Credit Union savings account.
